IEOM Professional Membership Application

IEOM Society promotes and encourages critical thinking in the field of Industrial Engineering (IE) and Operations Management (OM), provides means to communicate and network among people enthused with similar interests through association services, conferences, seminars, workshops, student chapters, professional chapters, journals and certifications across the globe, and illustrative research publications to disseminate the earned knowledge and experience.

IEOM Membership Benefits:

- Be part of the diverse IE and OM professionals
- Professional Development
- Access IEOM publications
- IEOM Newsletters
- Access IEOM online resources
- Networking opportunities
- Conferences and seminars
- Career and leadership development

Diversity is the key to our success.
