Biographies

Md. Saiful Islam is an Assistant Professor of Department of Industrial Engineering and Management, Khulna University of Engineering & Technology, Khulna, Bangladesh. He received his B.Sc. Eng. in Industrial & Production Engineering degree and M.Sc. Eng. in Industrial Engineering and Management degree from Department of Industrial Engineering and Management, Khulna University of Engineering & Technology. His main research areas are warehouse management, inventory management and safety management. He has published five journals paper.

Md. Kutub Uddin is a Professor of Department of Mechanical Engineering, Khulna University of Engineering & Technology, Khulna, Bangladesh. He received his B.Sc. Eng. in Mechanical Engineering degree from Department of Mechanical Engineering, Bangladesh University of Engineering & Technology, Dhaka, Bangladesh. He received his M. Eng. degree from Asian Institute of Technology (AIT), Bangkok, Thailand. He received his Doctor of Philosophy (Ph. D.) degree from Indian Institute of Technology (IIT), Kanpur, India. His main research areas are warehouse management and optimization.
