Biographies

Charlene Cariaga is currently a fourth (4th) year undergraduate student of Technological Institute of the Philippines – Quezon City, taking up a Bachelor of Science in Industrial Engineering. She is currently an active member of Organization of Industrial Engineering (ORIENTS) and an active officer of Department Student Council (DSC) of their school.

Alyza Marie D. Tolentino is currently a fourth (4th) year undergraduate student of Technological Institute of the Philippines – Quezon City, taking up a Bachelor of Science in Industrial Engineering. She is currently an active member of Organization of Industrial Engineering (ORIENTS) of their school.

August Adrian A. Castor is currently a fourth (4th) year undergraduate student of Technological of the Philippines – Quezon City, taking up a Bachelor of Science in Industrial Engineering. He is currently an active member of Organization of Industrial Engineering (ORIENTS) of their school.

Khenn S. Arista is currently a fourth (4th) year undergraduate student of Technological Institute of the Philippines – Quezon City, taking up a Bachelor of Science in Industrial Engineering. He is currently an active member of Organization of Industrial Engineering (ORIENTS) of their school.

John Nathanoj A. Basilio is currently a fourth (4th) year undergraduate student of Technological Institute of the Philippines – Quezon City, taking up a Bachelor of Science in Industrial Engineering. He is currently an active officer of Organization of Industrial Engineering (ORIENTS) of their school.

Yoshiki B. Kurata is a Certified Industrial Engineer (CIE) awarded by the Philippine Institute of Industrial Engineers (PIIE) and an Associate ASEAN Engineer (AAE) awarded by the ASEAN Federation of Engineering Organizations. Currently, he is an Assistant Professor IV in the Department of Industrial Engineering and a Professor of the Graduate School Program in the Technological Institute of the Philippines – Quezon City. He earned his B.S. in Industrial Engineering from the University of Santo Tomas, Manila, Philippines and Master of Science in Industrial Engineering from the University of the Philippines Diliman, Quezon City, Philippines. He has published several journal and conference papers in human factors and ergonomics, production optimization, operations research, and service system operations. His research interests include ergonomics, production systems, technopreneurship, and service science. At present, he is the president of the Philippine Institute of Industrial Engineers – Young Engineers Section (PIIE-YE).
