

Biographies

Angelo M. Alindogan is currently a 4th year Industrial Engineering student at Technological Institute of the Philippines – Quezon City. Present member of Organization of Industrial Engineering Students (ORIENTS) of their school.

Felix John F. Amin is a college student who is working towards becoming an Industrial Engineer as his second degree in Technological Institute of the Philippines and will be graduating in the year 2020. His first degree was Mechanical Engineering Technology a 3 years degree course in Technological University of the Philippines and graduated the year 2010. He has been employed in an Industrial based company for about 5 years after graduating on his first degree and became a warehouse supervisor and a logistics secretary, inspired by his working environment he decided to return in college and now taking his Bachelor of Science in Industrial Engineering. He is looking forward to becoming a successful professional engineer in his chosen field and will pursue his goals and dreams in life.

Nicole P. Clave is currently a 4th year Industrial Engineering student at Technological Institute of the Philippines - Quezon City. She is a working student. Her research interests include Ergonomics and Methods Engineering. She is an active member of the Organization of Industrial Engineering Student since 2016.

Queenie Colleen Guadalupe is currently a 4th year Industrial Engineering student at Technological Institute of the Philippines - Quezon City. Her research interests include Ergonomics and Operation Research. She is an active member of the Organization of Industrial Engineering Student since 2014.

Lynnette P. Salas is currently a 4th-year student taking up Bachelor of Science in Industrial Engineering at Technological Institute of the Philippines-Quezon City. She is currently a member of (ORIENTS) Organization of Industrial Engineering Students.

Ritz Jerard A. Tan is currently a fourth year Industrial Engineering student at Technological Institute of the Philippines – Quezon City. His research interests include Ergonomics and Operation Research. He is the present Secretary of Organization of Industrial Engineering Students (ORIENTS) of their school. He is an active member of Philippine Institute of Industrial Engineers – National Chapter (PIIE –NSC), Operation Research Society of the Philippines (ORSP) since 2017 up to present

Arriane A. Palisoc is an Assistant Professor, and Program Chair of Industrial Engineering Department of Technological Institute of the Philippines Quezon City. She earned her Bachelor of Science in Industrial Engineering from Technological Institute of the Philippines and a Master's Degree holder in Industrial Engineering and Management from Polytechnic University of the Philippines, Manila. Presently, she is taking up her Ph.D. in Technology Management at Technological University of the Philippines. She was awarded the status of ASEAN Engineer by the ASEAN Federation of Engineering Organizations (AFEO) Governing Board and has been recognized as Professional Industrial Engineer (PIE) by the Industrial Engineering Certification Board (IECB) of Philippine Institute of Industrial Engineers (PIIE).

Yoshiki B. Kurata is a Certified Industrial Engineer (CIE) awarded by the Philippine Institute of Industrial Engineers (PIIE) and an Associate ASEAN Engineer (AAE) awarded by the ASEAN Federation of Engineering Organizations. Currently, he is an Assistant Professor IV in the Department of Industrial Engineering and a Professor of the Graduate School Program in the Technological Institute of the Philippines – Quezon City. He earned his B.S. in Industrial Engineering from the University of Santo Tomas, Manila, Philippines and Master of Science in Industrial Engineering from the University of the Philippines Diliman, Quezon City, Philippines. He has published several journal and conference papers in human factors and ergonomics, production optimization, operations research, and service system operations. His research interests include ergonomics, production systems, technopreneurship, and service science. At present, he is the president of the Philippine Institute of Industrial Engineers – Young Engineers Section (PIIE-YE).
