Biographies

Pardeep Gupta is a Professor in Mechanical Engineering Department at Sant Longowal Institute of Engg & Tech Longowal, Punjab, India. He obtained his B.E. and M.E. degrees from PEC, Chandigarh in 1989 & 1997 respectively and PhD. degree from NIT, Kurukshetra in 2004. His areas of interest include Quality and Reliability engineering, Total Preventive Maintenance, TQM, Industrial Engineering, Conventional and Non-Conventional Metal Machining and Optimization Techniques. He has published more than 90 research papers in various national and international journals of repute and conference proceedings. He has more than 28 years of teaching and research experience.

Ankesh Mittal is a Research Fellow in Mechanical Engineering Department at Sant Longowal Institute of Engg & Tech Longowal, Punjab, India. He did his B.Tech. and M.Tech. degrees from Chitkara University, Punjab, India and Thapar University, Patiala, India in 2013 & 2015 respectively His areas of research is total quality management and production engineering. He has published various national and international journals of repute and conference proceedings
