Biographies

Bibhas C. Giri is a Professor of the Department of Mathematics, Jadavpur University, Kolkata, India. He did his M.S. in Mathematics and Ph. D. in Operations Research both from Jadavpur University, Kolkata, India. His research interests include inventory/supply chain management, production planning and scheduling. Professor Giri has published more than 200 research papers in the journals of international repute. His papers have appeared in journals such as *Naval Research Logistics*, *International Journal of Production Research*, *OMEGA*, *Journal of the Operational Research Society*, *European Journal of Operational Research*, *International Journal of Production Economics* and so on. He was a JSPS Post-doctoral Research Fellow at Hiroshima University, Japan during the period 2002-2004 and Humboldt Research Fellow at Mannheim University, Germany during the period 2007-2008.
