Biographies

Md. Haider Ali Biswas is currently affiliated with Khulna University, Bangladesh as a Professor of Mathematics under Science Engineering and Technology School and he was the Head of Mathematics Discipline. Prof. Biswas obtained his B.Sc. (Honors) in Mathematics and M.Sc in Applied Mathematics in the year 1993 and 1994 respectively from the University of Chittagong, Bangladesh, M Phil in Mathematics in the year 2008 from the University of Rajshahi, Bangladesh and PhD in Electrical and Computer Engineering from the University of Porto, Portugal in 2013. He has more than 20 years of teaching and research experience in the graduate and postgraduate levels at different public universities in Bangladesh. He published three books, one chapters and more than 80 research papers in the peer reviewed journals and international conferences. He is the life/general members of several professional societies and/or research organizations like Bangladesh Mathematical Society (BMS), Asiatic Society of Bangladesh (ASB), Institute of Mathematics and its Applications (IMA), UK, European Mathematical Society (EMS) and Society for Mathematical Biology (SMB). Dr Biswas was the General Secretary of Mathematical Forum Khulna in 2013-2015. Dr Biswas organized several national and international seminars/workshops/conferences in home and abroad and he has been working as editor/member of editorial boards of several international peer-reviewed journals including "Ganit"- Journal of Bangladesh Mathematical Society. Recently Professor Biswas has been nominated the Member of the Council of Asian Science Editors (CASE) for 2017-2020 and the Associate Member of the Organization for Women in Science for the Developing World (OWSD) since 2017. Recently he is nominated as president of Bangladesh mathematical biological society (2020-2021).

Amit Kumar Das is a M.Sc student of Mathematics discipline under Science Engineering and Technology School of Khulna university. He completed his Bachelor of Science (Honors) degree in Mathematics in the year 2020 from the same University. Amit Kumar Das attended the 2nd International Conference on Industrial and Mechanical Engineering and Operation Management (IMEOM) that was held in BIM, Dhaka, Bangladesh, on 12-13 December, 2019. His research interests include Mathematical Modeling and Simulations, Biomathematics, and Epidemiology of Chronic Diseases.

Md. Muhymenul Islam is a M.Sc student of Mathematics discipline under Science Engineering and Technology School of Khulna university. He completed his Bachelor of Science (Honors) degree in Mathematics in the year 2020 from the same University. Md. Muhymenul Islam attended the 2nd International Conference on Industrial and Mechanical Engineering and Operation Management (IMEOM) that was held in BIM, Dhaka, Bangladesh, on 12-13 December, 2019. His research interests include Mathematical Modeling and Simulations, Biomathematics.
