

Biography

Rob Dekkers is a Reader in Industrial Management at the Adam Smith Business School (University of Glasgow). He holds a doctoral degree and master's degree from Delft University of Technology. Before joining Delft University of Technology in 1992 he has worked as internal management consultant, production manager and senior project manager. From 2006 he was employed at the University of the West of Scotland and from 2014 at the University of Glasgow. He has (co-)authored more than 150 interdisciplinary contributions about innovation and technology management, industrial networks, manufacturing strategy, operations management and system theories. Furthermore, he is actively engaged in the provision of doctoral workshops, particularly the IFPR Early Career Researchers and Doctoral Training Programme.
