Biographies

Balkrishna Eknath Narkhede is an Associate Professor in Industrial Engineering & Manufacturing Systems at National Institute of Industrial Engineering (NITIE), Mumbai, INDIA. He holds a PhD in Mechanical Engineering. He has over 17 years of teaching, research and administrative experience. Indian Institution of Industrial Engineering has awarded him Fellowship in recognition of his substantial contribution to Industrial Engineering. He is also the recipient of Excellence in teaching award from VJTI, Mumbai based on student's feedback. He has been nominated as a Subject Expert in All India Board of Management Studies under AICTE, New Delhi, India. He is an Editor-in-Chief for Industrial Engineering Journal since January 2009. He has successfully guided 05 PhD candidates in Production Engg. His research interests include industrial engineering, manufacturing systems, world class manufacturing, project management, etc.

Rakesh D. Raut is an Asst. Professor of Operations and Supply Chain Management at National Institute of Industrial Engineering, Mumbai, INDIA. Rakesh D. Raut received his Post-Doctoral Fellow from EPFL, Switzerland and Fellowship (PhD) from the National Institute of Industrial Engineering (NITIE), Mumbai. He holds his M. Tech (Mechanical) and BE (Production) Degree from the Nagpur University. He has more than eight years of work experience in industry and academic institutions. Before joining NITIE, he has worked as an Assistant Professor at IMT, Nagpur and Dubai and also, at Symbiosis, Pune. His research interest includes Collaborative Network Organization, Supplier-Buyer Strategic Relationship, MCDM Techniques, Sustainable Supply Chain Management, and Logistics Management.

Vaibhav S. Narwane is a Research Scholar at Veermata Jijabai Technological Institute (VJTI), Mumbai, INDIA. He is working as an Associate Professor in Mechanical Engineering Department at K. J. Somaiya College of Engineering, Mumbai. Vaibhav received his ME in CAD/CAM from Shri Guru Gobind Singhji Institute of Engineering and Technology, Nanded. Currently, he is pursuing his PhD from Production Engineering Department, VJTI Mumbai. He is having thirteen years of teaching and one year of industrial experience. He has few papers in journals and conferences of national and international repute to his credit. His current area of research includes cloud computing, industrial engineering and AI techniques.

Bhaskar M. Bhandarkar is Director General at Indian Institution of Industrial Engineering (IIIE), Mumbai, INDIA. He was Chairman of IIIE for 8 years. He completed his PhD from BIT Mesra, M.E. from Pune University, B.Tech. from Jawaharlal Nehru University and BSc. from Nagpur. He is actively working on various key posts like Managing Editor Industrial Engineering Journal, Board Member Asia Pacific IE and Management Society (APIEMS), Convener Marine Engineering Division, MS Committee IE (India) etc. He has served as Consultant to NITIE Mumbai. His areas of interest are servant leadership, industrial engineering, professional education, etc.

Ashok K Pundir is working as Professor (Operations Management) and Dean (Student Affairs & Placement) at NITIE. He has completed his Doctoral Program and Post-Graduation in Industrial Engineering from National Institute of Industrial Engineering (NITIE), Mumbai and B. Tech. in Mechanical Engineering from G.B. Pant University, Pantnagar. He has more than 31 years of Industrial and Academic experience. He has worked in The Premier Automobiles Ltd, Mumbai, for 16 years on posts like Head of Industrial Engineering Department and Asst General Manager – Projects. For last more than 15 years, Prof. Pundir is working as Faculty Member at NITIE. He received many awards including Lillian Gilbreth Award, H K Firodia Award by IIIE, and “Director's citation for Exemplary service” at NITIE “Best Professor in Operations Management” by DNA. His research interest includes Industrial Engineering, Project Management, Work System Design, Business Process Reengineering, Manufacturing Systems, Service Operations and Supply Chain Management.
