

# Results and Conclusion

- Add event preparation and award ceremony and still meet 5.5 hours closure time.
- The potential model can achieve improvement on the Closure Cost Index. Closure Cost Index will be dropped by  $10\text{km} * 0.48\text{hr} * 3(\text{zones}) = 14.4 (\text{km} * \text{hr})$ .
- Communicate with any player impacted by Rules No.1 and No.2, and provide them discount to attend the nearby event.
- Take more safety and facility logistics actions in order to accommodate 3,000+ players in one single event
- No discrimination on senior participants
